Teachers, except those whose vacations are otherwise established by the regulations, shall report for duty at 9 o'clock A. Members of the supervising staff, except those whose vacations are otherwise established by the regulations, shall continue on duty until the close of the term of the schools in which they are respectively employed, or if not employed in particular schools, up to and including the Friday of the final week of the term. Principals of Normal, Latin and day high schools may require the attendance of teachers on Thursday and Friday of the final week of the term for assistance at graduations or for the completion of records, and reports, and principals of all other day schools may require such attendance on Friday of the final week of the term for similar purposes. The collection of text-books and supplies shall not be begun earlier than Wednesday of the final week of the term.

Whenever any of the aforesaid holidays fall upon Sunday, the schools shall not be in session on the following Monday.

The first Friday in October is observed as Health Day and appropriate programs are arranged in the various schools for the purpose of presenting in a special manner the value and importance of conserving health.

In 1924, unless otherwise ordered, the graduating exercises of the Normal, Latin and day high schools will occur on Thursday of the second calendar week immediately preceding the Fourth of July, at such hour as may be determined by the respective principals; the graduating exercises of all day elementary and day intermediate schools will occur on Friday of the second calendar week immediately preceding the Fourth of July, at such hour as may be determined by the respective principals.

The summer term of the co-operative agricultural courses shall begin on the day immediately following the close of the day schools in June, and close on the day immediately preceding the opening of the day schools in September of each year, Saturdays, Sundays and legal holidays excepted.
